

In that village special storks were living...

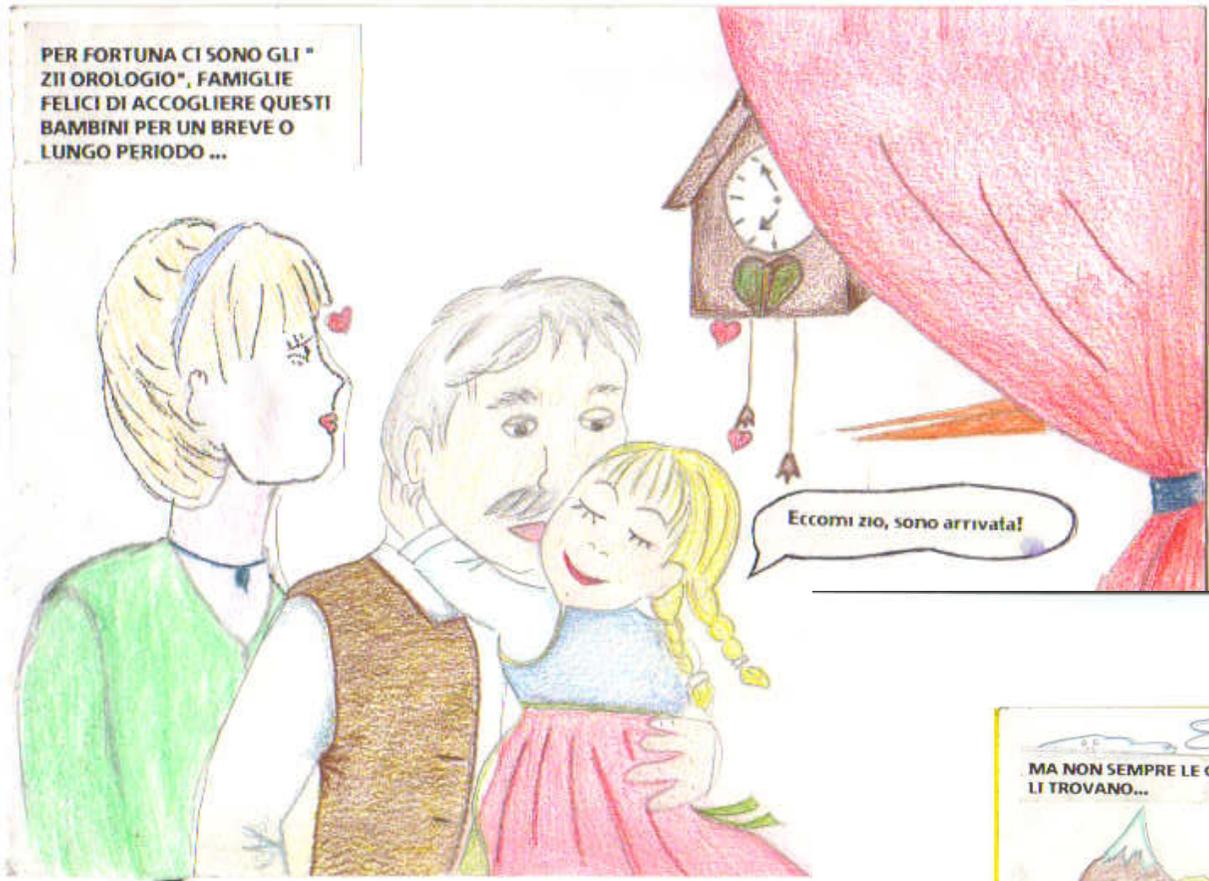

...in fact they were carrying children  
whose parents "had not been found"

Hey, leveret! where will his parents be?

The butterflies have told me that they are in difficulty...

Who will take care of this child?

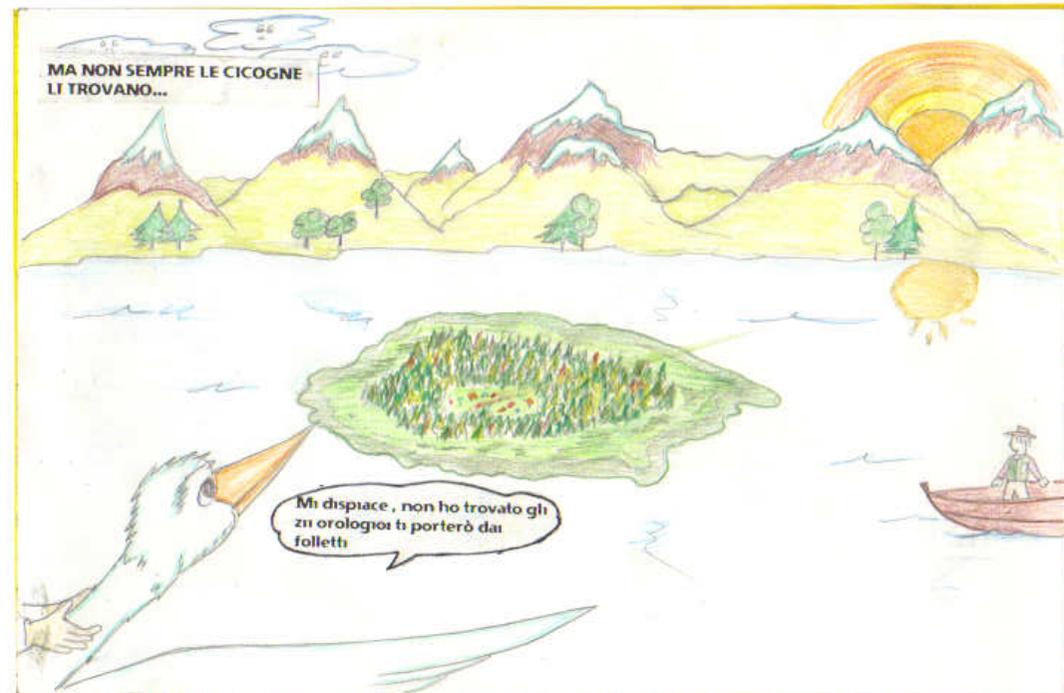

PER FORTUNA CI SONO GLI "ZII OROLOGIO", FAMIGLIE FELICI DI ACCOGLIERE QUESTI BAMBINI PER UN BREVE O LUNGO PERIODO ...

Luckily there are the uncles clock (foster care families), Families happy to welcome these children for a short or long period ...

Here I am uncle, I have arrived!

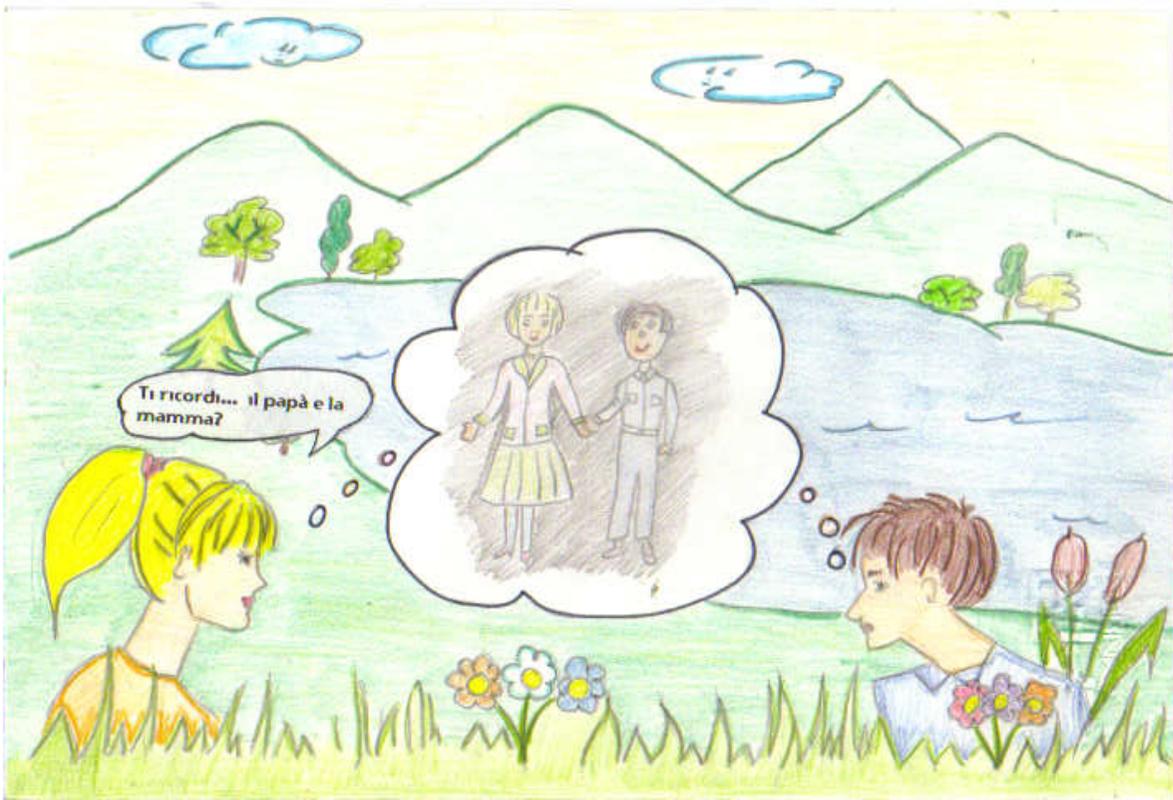

But not always the storks found them...

I am sorry, I have not found the uncles clock : I will take you to the elves.

MA NON SEMPRE LE CICOGNE LI TROVANO...

Mi dispiace, non ho trovato gli zii orologiai ti porterò dai folletti

Do you remember...  
your father and your mother?

The Wizard has arrived!

How will take Anna, Luca and Gianni

To their parents. The new ones!

Quando il Mago arriverà  
via di qua ti porterà...  
Una famiglia ti ha trovato  
che accoglie il tuo passato...  
Molto amore ti daranno  
perché un grande cuore  
hanno ...  
Su, cantiamo il ritornello  
che il futuro sarà bello !

When the Wizard will arrive away from here he will take you...  
A family he has found for you who welcomes your past...  
A lot of love they will give you because a great heart they have...

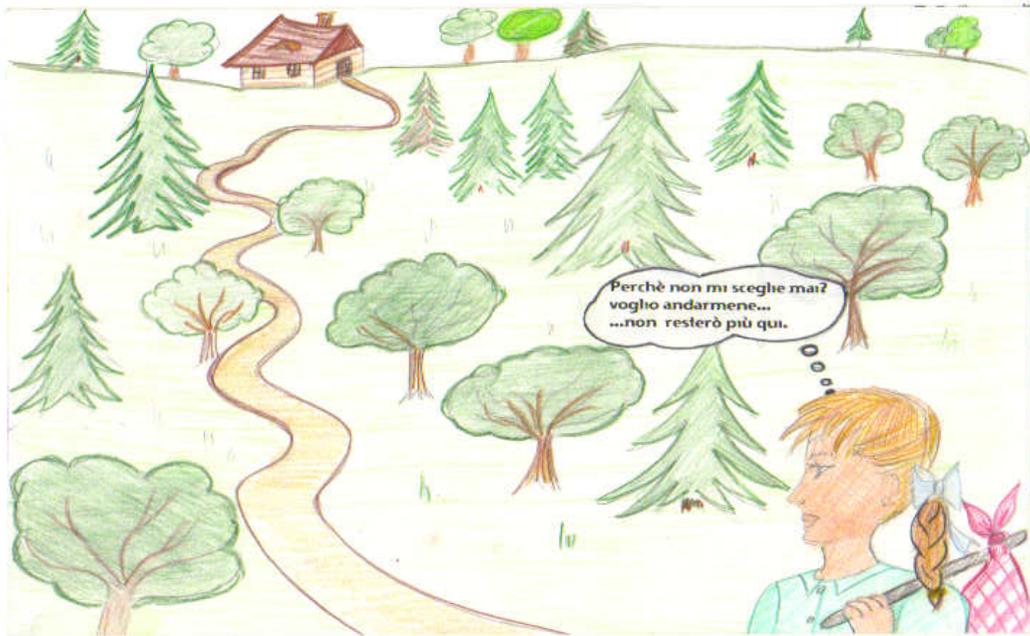

Hey, Wizard!

Look at that child... he dreams of his parents.

Even Paola (the most grown up) had hoped to board that boat, but it had never happened.

I wish I went also with the Wizard.

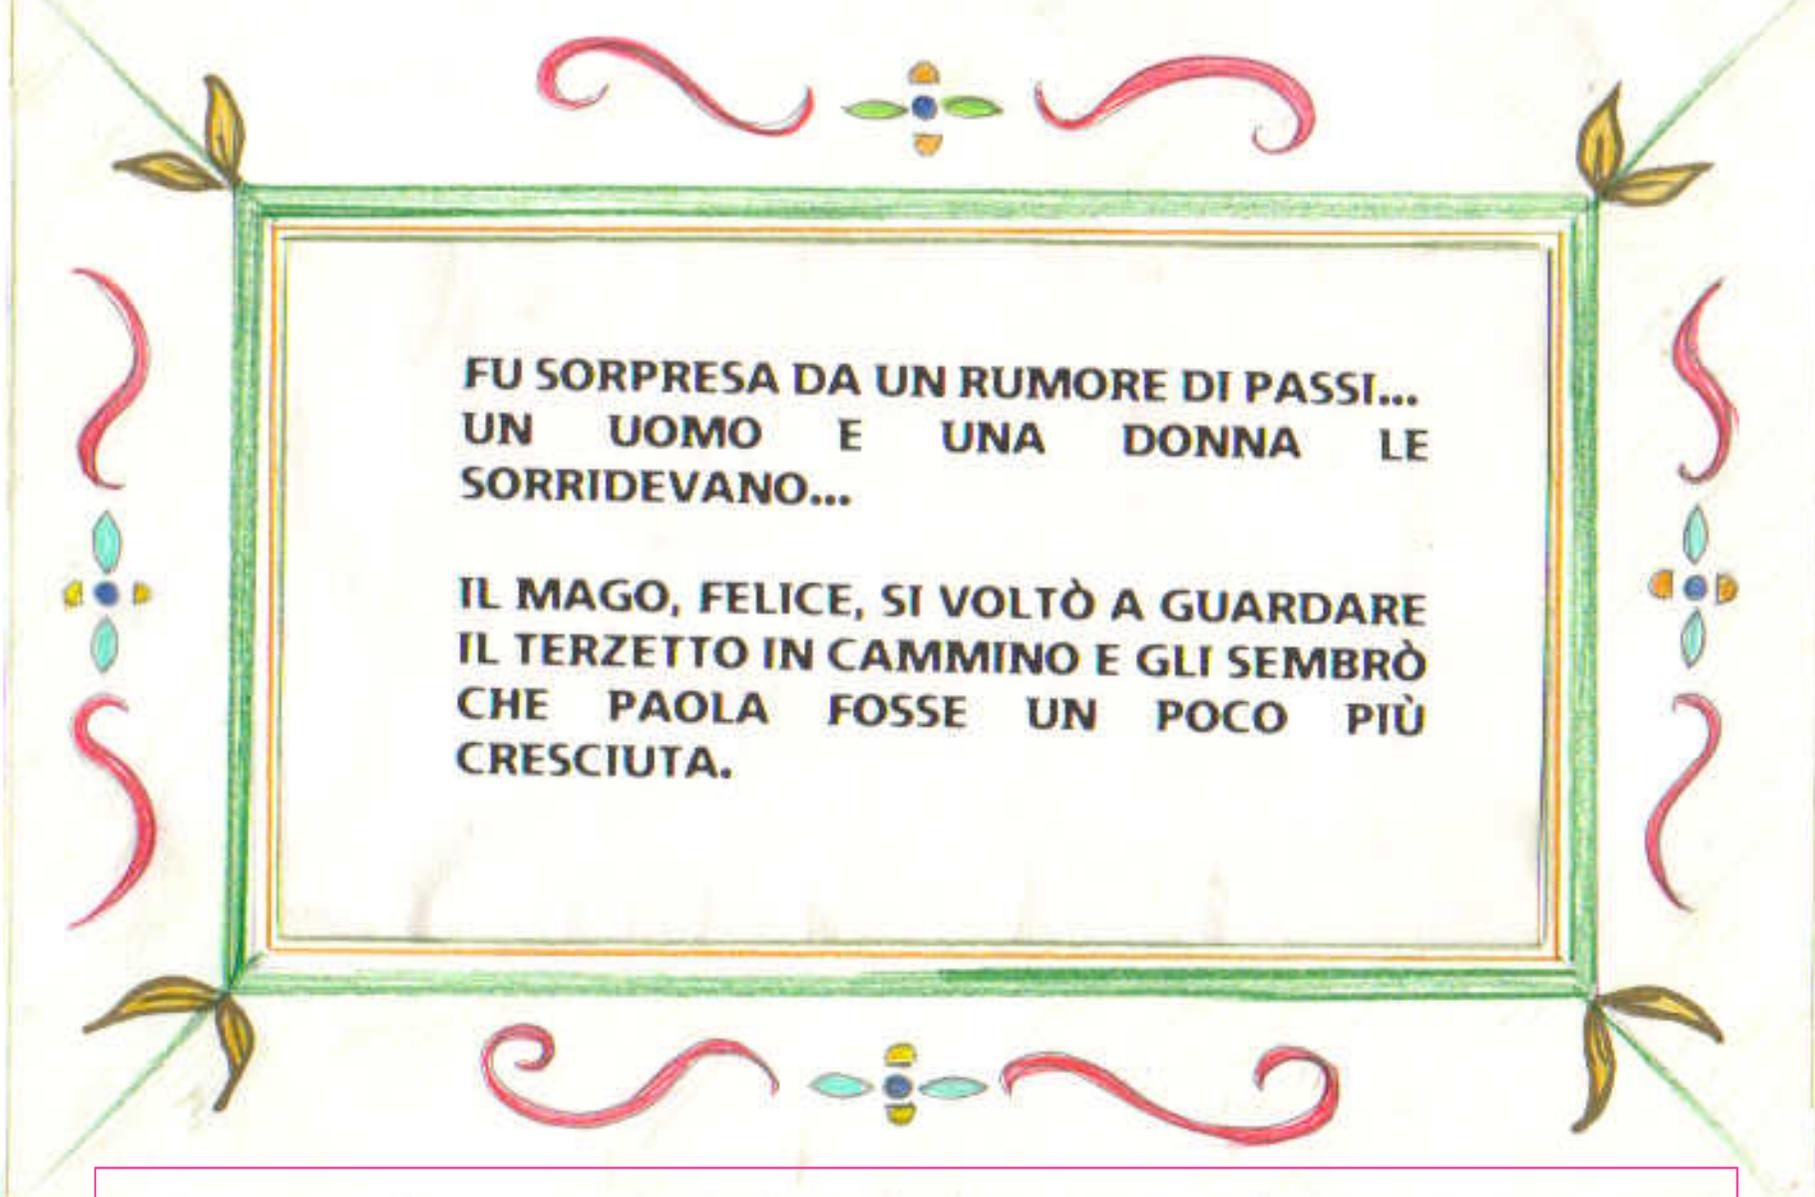

Why does he never pick me up?  
I want to leave...  
...I will not stay here any longer.

A ray of sunshine woke her up,  
nearby there was a book...

Looks what a beautiful book...  
...Uhm... Perhaps even for me  
there is someone...

THE WIZARD OF THE CHILDREN

FU SORPRESA DA UN RUMORE DI PASSI...  
UN UOMO E UNA DONNA LE  
SORRIDEVANO...

IL MAGO, FELICE, SI VOLTÒ A GUARDARE  
IL TERZETTO IN CAMMINO E GLI SEMBRÒ  
CHE PAOLA FOSSE UN POCO PIÙ  
CRESCIUTA.

She was surprised by a noise of steps...  
a man and a woman were smiling to her...

The Wizard, happy, turned back to see the three walking  
and he seemed that Paola had grown up a bit more..
